15 Pet Dogs Poisoned At Colma Ranch

2 RECOVER, 13 DEAD IN VICIOUS KILLING

Two of the 15 pet dogs poisoned Monday night by an unknown person on a ranch near Colma were reported today to have been returned in fair health to their owner. Nine others died within a few minutes of the poisoning, and four ran away and are presumed to be dead.

Victor Spirea, owner of the Cresti ranch, has offered $1000 reward for the capture of the poisoner of his dogs, which were valued at a total amount of $7500.

Meanwhile, Chief Deputy Sheriff Walter Moore said today that he has not yet found the dogs' murderer. One definite suspect, questioned by sheriff's officers, came up with an alibi, Moore added.

Ironic Twist

Ironically, it was Spirea himself who apparently fed his dogs the poison, definitely established today to be strychnine.

Spirea said he fed the dogs at 7:30 p.m. Monday, giving them prepared dog food from a sack.

"I noticed there was a white powder mixed in with the food," he told officers, "but I thought nothing of it at the time."

Within 15 minutes after the feeding, three of the dogs leaped up in agony, then fell to the ground in convulsions and died.

Six more dogs lay dead a few minutes later, and four others rushed away yelping in extreme pain, Spirea told Beverly Trundle and Kenneth Ekstrom, sheriff's deputies.

Care Of Vet

The two other dogs which were stricken were placed in the care of a veterinarian, Dr. R. L. Collinson of San Bruno. Toxiological tests performed by the veterinarian have definitely established the fact that the poison used was strychnine.

The two recovered dogs are both of mixed hound and pointer blood, while dead dogs were a shepherd, three pointers and nine hounds.

Spirea valued five of the animals at $500 each and the remainder at $300 each.

A. Russell Turver, head of the Peninsula Humane society, said the Society for the Prevention of Cruelty to Animals will investigate the poisonings.

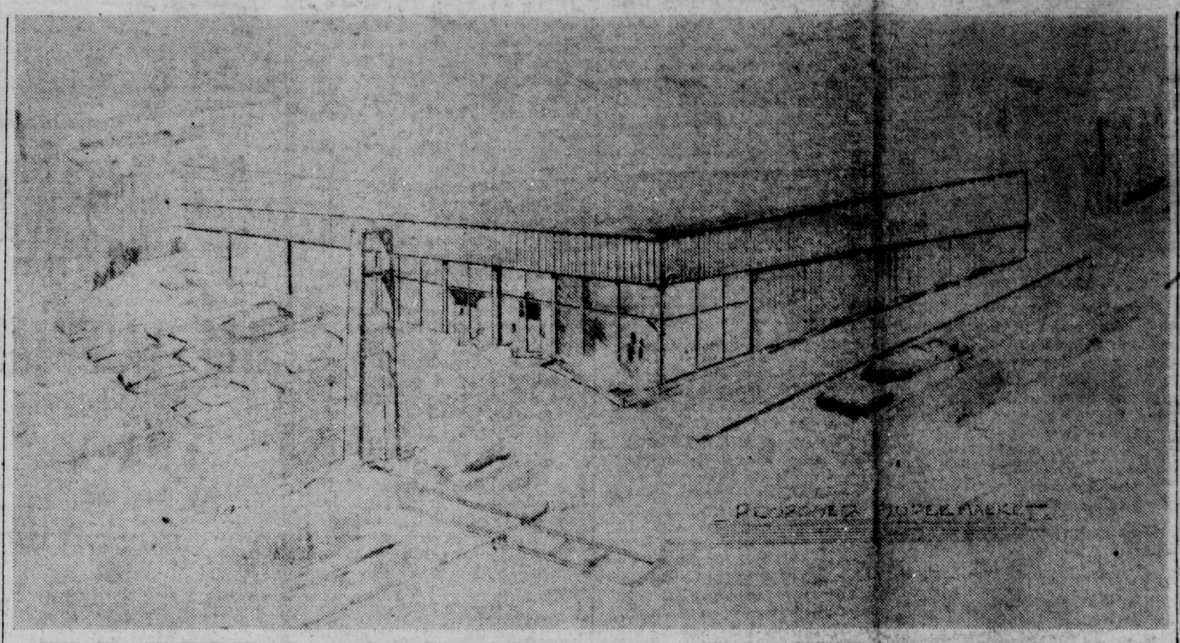
JUNIPERO SERRA FREAK ACCIDENT WRECKS DC AUTO

A freak accident on Junipero Serra boulevard and 87th Street Saturday noon made an almost total wreck of a car belonging to a Daly City resident.

Police said that the accident occurred when a car driven by a Sausalito salesman crashed into the intersection signal post, knocking it down across an auto driven by Donald O. Cecchi, 24, 26 San Joaquin avenue.

William W. Purdom, 48, 81 Central avenue, Sausalito, was going left on Junipero Serra when he crashed into the pole, officers said.

No citations were issued.



ARTIST'S CONCEPTION of a new supermarket, which will be constructed at the top of the hill in Daly City is pictured above. The $200,000 structure will be operated by George Glass, proprietor of the Hilltop Market, 6315 Mission street. Glass, who has operated his present establishment for over six years, said that the market will have the most modern merchandising equipment and ample off-street customer parking. The building, which will be constructed by Hugh Smith Jr. & Co., is the first step in the development of the Smith property. The site is located at Mission and Hillside Boulevard and also fronts on Brunswick street.

Raise County Taxes 21.5c

Local taxpayers will pay an average of $6.45 more in county taxes for the new fiscal year.

Tuesday, the San Mateo County Board of Supervisors approved a new county basic tax rate of $1.595, about 21.5 cents more per $100 valuation than the 1954-55 fiscal year.

Although this represents a large increase it is not as great as anticipated. The best estimates were that the county tax rate would go up between 25 and 30 cents.

County Manager E. R. Stallings explained that three factors held the tax rate to 21.5 cents. Property valuations were greater than expected, anticipated revenues are up and reserve funds are in better shape than expected.

Daly City taxpayers are lucky in one respect. While many cities throughout the county have approved city tax increases this year, the local rate will remain the same.

The $6.45 figure is based on an average assessed valuation of $3000 per home.

DALY CITY RESIDENTS TO ENJOY STUPENDOUS PARADE AUGUST 27

David Steward Gets Plenty Of Help From Local Groups

The second annual Daly City parade, started last year by enterprising young David Steward, is again proving to be a community effort. Not only have organizations voted to lend a hand by marching in the parade on August 27, but local merchants and other groups have expressed their willingness by donating prizes for outstanding entrants.

The Twelfth Naval District Electronics school band has again promised to provide appropriate marching music for the parade. Also to be provided by the navy are their state champion drill team, a detachment of Waves, a marching unit of Marines and two floats.

Other armed services also have been requested to supply bands and other units for the parade, but, as yet, no favorable word has been received.

DC Guard Unit

Also lined up for David's Parade are 90 men of Daly City's Company L of the California National Guard, 49th Infantry division. The marching unit, drill team and color guard will all be made up of non-commissioned officers and will be under the direction of Sergeant Robert Kirk.

The local national guard unit also is providing a float for "Miss Daly City," Janet Watson, and "Little Miss Daly City," who will be chosen immediately prior to the parade.

Mrs. James Sunderland's award-winning Pepperettes, who last year brought forth applause from by-standers, will again add their talents to the parade.

The Chinese Central High drum corps, a group of Chinese Girls, are another popular group who

BLUM CONFIDENT OF COLMA OKAY IN STRIP ANNEX

City Attorney Frank Blum, following a meeting with the Colma City council Wednesday night, said today that he feels "confident" that Colma will grant approval for Daly City's planned annexation of the controversial Conti-Bocci strip.

An investigating committee of Colma officials to study the proposed annexation was appointed by John Newton. Others serving besides Newton are Earl Taylor, chairman; Albert Lagomarsino, and James Halley, attorney.

Newton said today that it is not yet known when Colma will give their decision, however, he stated that the next regular meeting scheduled for the council is on September 14.

Daly City is forced, under a new state law, to ask approval of all cities within a three-mile radius of the proposed annexation. The annexation has been requested of Daly City by Edward Bocci and the Conti estate.

The much disputed piece of land runs east of Junipero Serra boulevard from Dunks street to the Colma line and bisects the proposed sixth class city of Northgate in half.

Both Northgate proponents and Daly City officials claim that they have prior jurisdiction over the strip, Northgate by filing with the county boundaries commission and Daly City by receiving the request for annexation.

Tots From Ages 3-5 Eligible For "Little Miss DC" Contest

The second annual "Little Miss Daly City" contest will be held during the morning of the day of David's Parade, August 27. Parents wishing to enter their daughters, aged three to five years, may contact the recreation department to register.

Winner of the contest will be awarded with a trophy, and her name will be engraved on a large perpetual trophy, both to be donated by the Daly City Chamber of Commerce.

"Little Miss Daly City" will take her place on a float donated by Daly City's company L of the California National Guard, 49th Infantry division.

On the float with her younger counterpart will be Janet Watson, Westlake resident and recent winner of the "Miss Daly City" contest.

Both girls will wear flower crowns and carry bouquets made and donated by the Tanforan Flower shop, 6175 Mission street.

Winner of last year's "Little Miss Daly City" contest was Robin Ramus, 3, daughter of Mr. and Mrs. Victor J. Ramus of 37 East Lake avenue.

Again this year judges will be the Daly City council, Mayor Joseph J. Verducci, and Councilmen Micheal DeBernardi, Edward Dennis, Sanford Vickers and Del Wilson.

Interested persons may contact the recreation department by calling PLaza 5-0850.

Jeff Summer School Graduates Five

Five students received high school diplomas last Friday, as Jefferson Union High school ended an eight-week summer session.

A total of 178 students attended the summer semester, according to Glenn South, principal.

Students that were graduated are: George Chamberlain, Dennis Hansen, Richard Horsley, Ed Jaurequi, and Betty Berry.

Summer school is carried on, South explained, for students who cannot work in elective courses during the regular school year, for those who wish to gain additional credits, and for students

TRUSTEES NAME PALO ALTO MAN TO SCHOOL POST

David T. Shapiro, new administrative assistant to the administrater of business affairs of the Jefferson Elementary school district, will take his position at a yearly salary of $7000 on Monday.

Shapiro, 43, formerly of Palo Alto, was named to his post last week at a personnel meeting of the district trustees.

The appointee is now working towards his docorate in business education at Stanford university, according to Superintendent H. Z. Weibel. Shapiro received his bachelor of arts in accounting and his master of education in business education and education administration at Temple university.

He won his secondary in administration at Stanford university last summer.

Experience includes a post as investigator with the New Jersey State Tax department from 1935 to 1936. The next three years Shapiro worked in Clayton, New Jersey, as a commercial teacher, football coach and assistant prin-

Lions Expect 150 Youngsters At Lake Merced Fishing Day

One hundred and fifty youngsters will descend on the banks of Lake Merced next Wednesday when the Daly City-Colma Lions sponsor their annual fishing day for kids.

In addition to the Lions, six Daly City recreation department personnel will be on hand to supervise the Izaak Walton goings-on, reports chairman Joe Belli.

Youngsters will be transported to the lake by Lions in their private cars. Pick-up time will be 8 a.m. at Daly City and Broadmoor community centers and Westlake school.

All kids are asked to bring their fishing gear and lunches. However, in anticipation of some shortages, the Lions will have on hand some 60 fishing outfits and ice cream, milk and sandwiches for the famished anglers.

The Lions will hold their regular meeting at lakeside, and in keeping with the day's theme, will have a fried trout dinner provided by the management.

The kids and Lions will stay at the lake until 1:30 p.m., when all will return by private cars.

As a further enticement to the day's outing, Lions are offering a $5 prize for the biggest fish caught, $3 for the runner-up and $2 for the youngster who snares the smallest fish.

BPOA BOARD VOTES AGAINST NORTHGATE INCORPORATION

BROADMOOR, DC TO SPONSOR NEW ANNEX SURVEY

In a joint meeting Tuesday night the Broadmoor Property Owners association and the Daly City council agreed to sponsor an impartial survey outlining annexation of the Broadmoor area to Daly City.

Daly City Manager Howard I. Stites was authorized by the two groups to contact the California Taxpayers association in regard to conducting the survey.

DC Workers Ask Council 5 Requests

The city council will discuss five requests of the Daly City Employees association at Monday night's council meeting, it was decided at a meeting of association representatives and the council at this week's study session.

Local city employees, represented by Association President John Walsh, Fire Chief Elmer Kennedy and Police Officer Charles Munday, made the following requests:

1. That the practice of counting Saturdays as a working day be continued, thus not cutting the employees' vacation time. The association insists that the previous council meant to continue con-

HILLTOP OWNER, GLASS, TO OPERATE $200,000 PLANT

Construction of a $200,000 super market at Brunswick and Hillside boulevard has been set for early next month.

Local businessman Hugh Smith Jr. & Co., owner of the property just off Mission street, will construct the building, largest of its kind in the area. It will mark the first step in eventual development of the long abandoned quarry area, Smith said.

George Glass, proprietor of the Hilltop Market, 6315 Mission street, for the past six years, will lease the building from Smith on a long-term basis.

The market will contain a total of 13,420 square feet of floor space, including the upstairs warehouse mezzanine.

Off-Street Parking

Twenty thousand feet of off-street parking will be provided, fronting on Hillside and Brunswick, enough to handle about 60 cars.

The modern super market will contain a meat department, to be sub-let by Glass, and produce, to be under the grocery department management.

There will be 327 linear feet of grocery gondolas, 118 feet of wall shelving and 180 feet of refrigeration units.

Glass said approximately 20 employees would staff the large retail grocery outlet.

According to Smith, bids will be called for today (Friday) and contract will be let September 2. Work should start within a week after that, and completion is tentatively set for late January.

The land and building will cost about $175,000, according to Smith, while the equipment will run total value of the structure in excess of $200,000.

Tilt-up Concrete

Construction will be of concrete tilt-up type with steel roof trusses.

Glass, proprietor of the market, has been in the grocery business since 1937, except for a period from 1942 to 1945 when he served in the U. S. Army in overseas campaigns.

He is married and the father of six children. He has long been an active member of Daly City-Colma Lions, VFW, and is a member of the board of directors of the Retail Grocers association.

When final plans and specifications for the structure are completed, they will be presented to the Daly City planning commis-

Local Schools Plan Start Of Fall Term For September 12

Jefferson Union High school, the public elementary schools and Our Lady of Perpetual Help parochial school will open the fall term on September 12. The opening date for the new parochial school in Westlake, Our Lady of Mercy, has not yet been determined, according to Father Richard Powers.

New students may register at the high school on September 8 through 12, between the hours of 9 a.m. to 12 noon and 1 p.m. through 4 p.m. Further information on high school registration will be released in this paper at a later date.

Registration for new children to the Jefferson Elementary school district also will be held on September 8. According to Superintendent H. Z. Weibel, parents should register their children at the nearest school to their homes. Schools will be open for signups from 9 a.m. to 4 p.m.

Weibel asks that parents bring the child's last report card, and a birth certificate should be presented if the child is entering kinder-

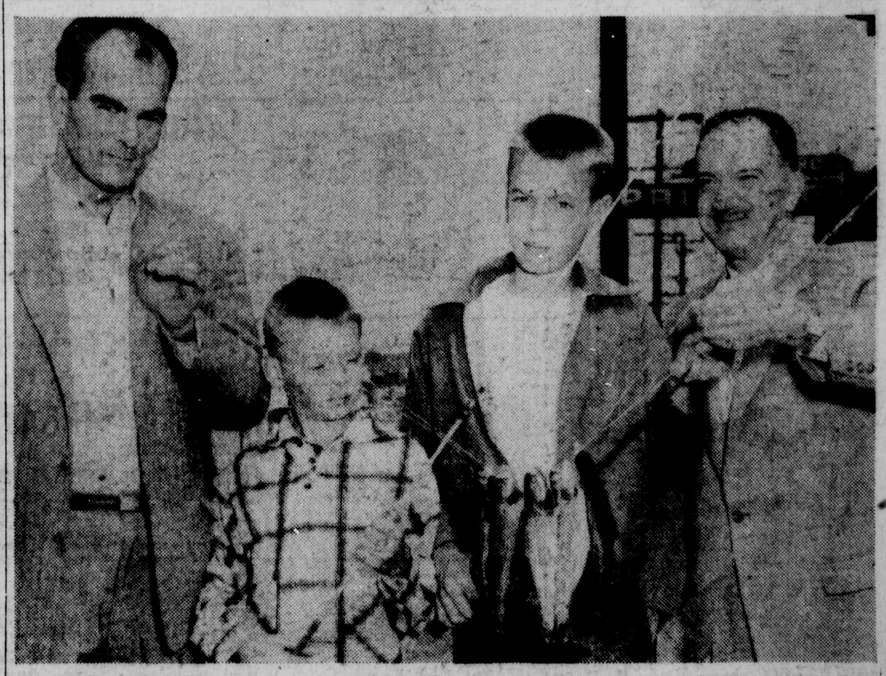
Stites, Library Head To Meet With Stallings

City Manager Howard Stites and Library Commissioner Wayne Carr will meet soon with County Manager Robert Stallings to work out details of county participation in the local library.

At the present time the county contributes about $500 a month towards salaries at the Daly City Branch. Daly City taxpayers pay into the county library fund each year, and part of that money is appropriated to the local branch.

Date of the meeting is still undecided.



OH BOY! Anticipatory gleams are evident in eyes of two young anglers awaiting Daly City-Colma Lions annual fishing day August 25 at Lake Merced, as Lions Joe Belli (left) and Mel Battye, president, display a nice mess of rainbows taken from the area recently. Youngsters are (left) Lynn Arneson, 10, son of Mr. and Mrs. Roy Arneson, 202 88th street, and Jimmy Eddy, 12, son of Mr. and Mrs. James Eddy Sr., 1050 Sullivan avenue, both of Broadmoor.

ator's card.

Now being treated at Franklin hospital is Diego S. Estepa, 48, 91 Apollo street, San Francisco, a Hunters Point Naval Shipyard painter.

Police said the accident occurred when Hinkley's car crashed into an auto being driven by Estepa at Oakdale avenue and Rankin street. Estepa was thrown from the car as it swung around from the impact.

Witnesses told officers that Hinkley got out of his car, looked at Estepa, then drove off. The license number of Hinkley's car was given to police by several of the witnesses, was broadcast and then picked up here by local police.

When Sergeant David Hansen broacast Hinkley's license number, Bastedo recalled seeing a stalled car with a bashed-in hood on Park Plaza and South Mayfair avenue. He returned to find that the license checked and arrested Hinkley.

The carpenter told Bastedo that he had damaged his car when he struck a pole.

Some double sesssions are in sight, but Weibel declined to say at this time the specific schools and grades to be affected.

A total of 179 staff members will be with the district this year because of expected increased enrollment. This is an increase of 13 over last year.

Details for registration at OLPH are yet to be determined, according to Father Norman Allen.

Registration for Our Lady of Mercy school has been completed. Father Powers reports that there are no more openings except in the fifth grade.

Broadmoor, DC To Sponsor New Annex Survey

(Continued from Page 1)

Named to a committee who will work with the survey takers were Stites, Daly City Attorney Frank Blum, Councilman Michael DeBernardi, Thomas Jenkins and Thomas McKay, the two latter representing the BPOA.

The proposed report, to be financed proportionately by Daly City and the BPOA, will include separate studies on Broadmoor boundaries, Coro foundation report lines and other possible boundaries to be determined by the survey takers.

Best For Both

"Rather than have a report on whether we do or do not annex, we want one which will give us the manner in which we can annex with equitable conditions to both," explained Mayor Joseph J. Verducci.

Expected to come under closest scrutiny in the survey are four factors, brought out last night by McKay. These are: previous bond service, water service, police and fire.

"The water problem kept you out six or eight years ago," Verducci declared. "I will state my opinion right now. I don't want the people of Daly City paying the cost of water for Broadmoor."

Councilman Sanford Vickers then injected the idea that the council effect different tax rates for separate sections of the city, should the Broadmoor area be annexed.

BPOA Director Howard Richardson agreed with the statement that Daly City might sponsor a revenue bond with a higher rate for the affected area.

Police and Fire

Stites injected two ideas in regard to the police and fire question.

1. That it is possible that Daly City will build a new fire station in the area proposed for annexation or that the present fire station be utilized as a substation for the Daly City fire department.

2. That Broadmoor police and firemen will be given an opportunity to apply for positions with the Daly City departments if the annexation is accomplished.

Next to speak was Director Maryann Read, who stated that "while the incorporation group is self-appointed, the BPOA directors are an elected group."

Both Mrs. Read and Richardson claimed that Thomas Noonan, leader in the fight for incorporation, had stated that he would turn his battle towards annexation if the strip annex by Daly City is successful.

Present at Tuesday night's meeting were Stites, Verducci, Vickers, DeBernardi, BPOA President Jack Baker, McKay, Richardson, Mrs. Read and Mrs. Vi Murphy.

will join the parade.

Also promised are a horse for David and several antique wagons and carriages by the Mar Vista stables on Skyline boulevard.

Seals Join

A group of San Francisco Seals ball players will enter the procession in a convertible loaned by Gateway Chevrolet.

The Henry Doelger corporation announced today that they will donate 500 ice cream cups for parade participants and five $5 gift certificates for prizes. Also to be given by Doelger is $50 to David for "his hard work" on the parade.

Most unusual prize so far donated is a parakeet by the Westlake Pet shop. Other local firms who will offer prizes are Hilltop market, Westlake Hardware, Crown Drug, Toy Circus and Kiddie Ville.

James Mason, Daly City recreation director, has declared that the recreation department is now working on floats, costumes and other entrees for the parade.

Both the fire department and the Daly City Scavenger company will enter equipment in the procession.

Also to participate in the parade are marching units of boy and girl scouts.

Joe Lewkowitz, owner of the Richfield gas station on San Jose avenue, has offered to assist again this year with his sound truck.

Also promised are three jitneys by the Northgate Transit company.

Parade Route

Tentative route of the parade is formation on Brunswick, start at Hillside, down Hillside and across Mission to Knowles, down Knowles and across Junipero Serra to Alemany, and down Alemany to Lake Merced boulevard, where the parade will disband.

The parade is scheduled to begin at 1 p.m. and participating units are asked to be on Brunswick street by 12 noon.

Named coordinating marshall of the procession at last week's committee meeting was John Stack of 141 Crestwood drive.

Units participating in the parade will be asked to have a representative at a meeting at the city hall on the night of August 25.

At last Thursday night's meeting, Police Chief Roland Petrocchi met with the committee to discuss traffic control for the parade.

Two For Tonight

By Leonore Brewer

Once again the Opera House is bright at night as the New York City Ballet fills it with that special excitement that only great ballet brings. Fresh from its European triumphs (Lisbon audiences greeted it with shouts of enthusiasm) the company brings such favorites as "The Cage" and "Swan Lake," as well as three ballets new to local balletomanes: "Western Symphony" termed an abstraction with Western flavor, costumes by Karinska; "Roma" danced to three movements of Bizet's rarely played suite of the same name; and "Pas de Trois," music by the Russian composer Glinka. Choreography for all three by Balanchine.

Possibly we should qualify the word "favorite" used in the above paragraph. "The Cage," an intense, savage ballet worked around the age-old theme that the female is deadlier than the male, appeals to those who have a macabre facet to their taste. To judge by the reception it always receives, we are not alone in our enthusiasm for this violent work. Maybe the female is deadlier!

"Swan Lake" is an ideal selection for those seeking an introduction to the wonderful world of the ballet, but we can't help questioning the wisdom of including it in three programs out of eight.

"Nutcracker"

Beginning August 23rd and playing through the 28th will be Balanchine's full-length revival of "Nutcracker," a perfect treat for the young and the young-in-heart.

One of our readers brought an interesting point the other day: just why are so many ballets danced against simple backdrops, what's happened to the scenery? And the costumes? This is a question well worth an entire column. However, from past experience we know we'll never get around to it, so let's give it a once-over-lightly treatment today.

There are several reasons, the principal being the ugly word money. A fair estimate of the cost of mounting any new production, and we quote Mr. Balanchine, is around $15,000, depending of course on the number of sets and costumes required. An extreme example is "The Sleeping Beauty." To remount this four-act masterpiece today would add up to the astounding sum of around $100,000.

Challenge Met

However the picture isn't entirely black, as choreographers have risen to meet the challenge and have created ballets which do not particularly require elaborate settings. In this type ballet, and again we quote Mr. Balanchine, effectiveness of the dance movement may even be impeded by decor and costumes. Even a ballerina's tutu, he says, can be a distraction destroying the purity of the dancer's body line.

SEEN AND HEARD at that most American of American phenomena — the invitational world premiere of a movie, "The McConnell Story" at the Fox the other night . . . Aldo Ray, looking considerably more intelligent than he is permitted to appear on the screen . . . Meow-meow conversation. "That's a beautiful mutation mink she's wearing." "Yes, what a pity she ruins it by wearing cheap shoes" . . . "I don't know what they're waiting around the lobby for. They wouldn't recognize anybody if they saw them." . . . "What's the name of the picture tonight"

LETTERS TO EDITOR

FIESTA MANAGER THANKS THE RECORD FOR COOPERATION

Dear Editor:

On behalf of the Board of Directors, I wish to express our sincere appreciation for your fine assistance in helping make the 21st annual San Mateo County Fair and Floral Fiesta such a success.

It was geenrous of you to take so much interest in our project and give such wholehearted cooperation.

To all of you we again say "THANK YOU" and we shall continue to make each fair better that the preceding one.

Cordially,
William M. Wilson

Safety News

"The cemetery is full of drivers who had the right of way."

This rather ancient wisecrack states a truth that should receive a good deal of consideration this month when the traffic safety spotlight is beamed on the signs of life.

The purpose of the "Signs of Life" program is to encourage recognition of the basic traffic sign shapes and observance of all the traffic signs, signals, and pavement markings and the laws and rules behind them.

Traffic signs are provided for the protection of drivers and pedestrians. Yet drivers and walkers constantly disregard these safeguards, frequently throwing away their own lives in the process. This is a matter of record. Statistics show that in most traffic accidents there is some violation of the law or of safe driving or walking rules.

Observance of the "Signs of Life" and the laws and common sense rules they represent could save many of these lives. And common sense should take a driver or walker beyond the mere observance of the letter of the law.

You can be killed driving across an intersection on a through street, if a driver on the intersecting street doesn't realize you have the right of way. Similarly, you can be struck down crossing the street on foot even though you have the green light. In either case it will be small comfort to you or your relatives that the law was on your side.

Safe walking or driving for any individual should include observance of the following rules:

1. Know the "Signs of life" by their shapes so you can recognize them on sight. Obey them meticulously.

2. Be willing to yield your legal rights whenever necessary to prevent a traffic accident.

Local Man Serves In Iwakuni, Japan

IWAKUNI, Japan (FHTNC) — Bill L. Studyvin, radioman third class, USN, son of Mr. and Mrs. Ray Studyvin of 184 Bismark street, Daly City, is serving on the Staff of Commander Fleet Air Wing 6.

Permanently based here, the Wing includes patrol squadrons flying P2V "Neptune" and P5M "Martin Marlin" aircraft.

These squadrons continuously observe activity around the outer perimeter of defense in the Far East.

Gas Station Attendants Douse Automobile Fire

Attendants at a gas station on Alemany boulevard doused a car fire Sunday night before the arrival of local firemen. Fire Chief Elmer Kennedy said that the fire broke out under the hood of a car owned by Ralph Stanen, 612 Arguello street, Pedro Valley.

Stanen apparently pulled into the Union gas station when the fire started, and attendants quickly quenched the fire before serious damage was caused.

Glenn Kollman Takes Naval Flight Training

Navy Lt. (jg) Glenn E. Kollman, 162 Parkview avenue, is currently in training at the Saufley Field Naval Auxiliary Air Station in Pensacola, Florida, according to a naval bulletin.

Kollman will be taught the fundamentals and maneuvers for formation flying. He will also receive instructions in combat, night and cross-country flying.

MARINE RESERVE Commissioned Warrant Officer Joseph E. Intaschi, 476 Santa Barbara avenue, who recently suffered a broken foot and cannot go to summer camp, gets a "Too bad, Pal," farewell from Reserve Capt. Ernest J. Ribera, 88 Weston drive. Both are members of the 1st AAA Automatic Weapons Battalion of Treasure Island, which is undergoing two weeks training in Southern California. Intaschi is a Daly City garage department employee; Ribera is the Jefferson Union High school teacher and track coach.

TV and Radio

By Mona Baker

PERSONALITY SKETCH . . .

"I love to cook," exclaimed vivacious television and radio star, Barbara McRitchie, and she proudly added . . . "One of my hobbies is collecting cookbooks, and I have 500." As we talked seated on a redwood chaise, part of the stage setting, and surrounded by busy last minute preparations for KGO-TV's popular live show "San Francisco Tonight" (Monday through Friday, 10:30 p.m.), it seemed a rather startling remark from the glamorous vocalist of the show. However, as we talked further to Barbara we knew that in addition to her successful career, she was also a very efficient homemaker, and another Daly City resident about whom we can be very proud.

Residents of this area for three years, Barbara lives with her husband, Greg, top musical arranger in the bay area, and two pet poodles, on Ashland drive in Westlake. Although very busy with two television shows as well as appearing on many commercials, the popular vocalist still takes time out to assist in drives for the benefit of our area. She participated in the drive for funds for library books.

Well Known

Barbara is a native San Franciscan and graduated from Washington High School. Well-known in both radio and television, she was with NBC radio for ten years.

Now starring in two television programs over KGO-TV, "San Francisco Tonight" and "Calo Pet Exchange," Barbara has appeared on an impressive list of program. One of television's pioneers, her first appearance on the channels was with Lois Doyle in "Memory Money" on KRON in 1948. Other television shows include "Late Date with Elenor," "Bright & Early" with Fred Jorgensen, "The Sun-Blest Show," and Melodies & Money over KGO.

Her radio song shows include "Barbara and the Boys," Jack Kirkwood's "Breakfast Club," "The Kaiser Show," "Mad Masters," and Jimmie Lyons' "Dave Brubeck Show."

Although busy with her professional life, Barbara has other hobbies besides cooking. She collects records and owns albums of all the Broadway hits. Also she is studying ballet and tap because as the pert star confessed, "as long as I can remember I have wanted to be a dancer."

Gained Recognition

Recognition came to "San Francisco Tonight" last week, when the Falstaff Brewing Corporation signed a contract sponsoring a half hour of the program for 12 consecutive 13-week cycles. The purchase was the first of its kind in KGO-TV history and the largest in local live West Coast television history.

Barbara's other show "Calo Pet Exchange" just returned last week to KGO-TV and is seen on Sundays at 3:30 p.m. The popular vocalist's love of dogs is very obvious as she serenades the puppies that are to be given away to viewers.

Witnessing the large and enthusiastic crowd waiting in the spacious KGO-TV studios for the telecast of "San Francisco Tonight," we could not help but feel that Barbara has another successful show to add to her long list of top television and radio programs.

KIDDIES' CORNER . . .

NBC's popular program for the tricycle set, "Howdy Doody" (KRON-TV, Monday through Friday, 5:30 p.m.) will originate next month from a new studio which boasts everything from a permanent puppet park to disappearing walls. Some unique features of the studio located in Radio City, New York, include a "Clarabell gadget wall" built with a captivating array of trick doors, a pet shop complete with live animals, a newspaper office for the "Doodyville Bugle," and a general store. So some exciting experiences are in store for your little tots when the program originates from the new studios. "Howdy Doody" has long been a favorite of children everywhere, and in a recent pole conducted by the General Federation of Women's clubs, the program was commended by 73 per cent of the viewers as "good entertainment." The show was also praised for reminders to attend church and for advice on fire safety. We certainly agree with their findings, and are convinced that these reminders are a subtle but effective way to impress upon young children, qualities of good citizenship. We hope that more children's programs will include similar suggestions.

KQED OFFERS SYMPHONY . . .

Following the conclusion of the Friday night concerts of the "Little Symphony" KQED is offering a series of symphonic programs, featuring distinguished guest artists and prominent instrumentalists from the St. Louis Symphony Orchestra, and Washington University. The program entitled "With a View to Music" which began last week will be seen for 11 weeks on Friday evenings from 7:30 to 8:00 p.m. This Friday's program will feature Martha Deatherage, soprano, with Dorothy Ziegler at the piano.

COMING PROGRAMS . . .

KGO radio will carry a major address by President Dwight D. Eisenhower who will be speaking before the 78th annual meeting of the American Bar Association at Philadelphia on Wednesday, August 24.

The 26th annual Chicagoland Music Festival will be broadcast by the Mutual-Don Lee network, over KFRC, on Sunday from 4-5 p.m. Highlights of the show will include the singing of Handel's great oratorio by the Festival's Hallelujah Chorus directed by Dr. Edgar Nelson, the Festival's General Choral leader.

VANDALS BREAK TWO PLATE WINDOWS AT HILLSIDE NURSERIES

Broadmoor police are checking out information on an old model car believed to be the vehicle from which rocks were thrown at two Hillside boulevard nurseries last Wednesday night.

The vandals broke two large plate glass windows, one at the Bungalow nursery, 1150 Hillside, and the other at the Nessier nursery, 1180 Hillside, according to Chief Ray Savage. Total damage was estimated at $100.

Savage said that teenage witnesses saw the car going up Hillside boulevard the same night. Suspected of the vandalism are juveniles, the chief declared.

WOMAN MINISTER, 65, AMONG FOUR INJURED IN ALEMANY MISHAP

Four persons, one of whom is a 65-year-old woman minister, were injured Sunday afternoon in an accident at Alemany boulevard and Eastgate drive.

Police said that the collision occurred when a car driven by a 65-year-old San Francisco man attempted a left-turn onto Alemany and collided with the Reverend's auto which was coming north on the boulevard.

Treated at Junipero Serra hospital were: Reverend Miss Frieda M. Ehrlich, 65, First Baptist church of Macedon, New York, sprained right knee; passengers in her car, Ama Root, 55, New York, broken ribs; Floyd Root, 69, New York, cuts and bruises; and driver of the second car, Issac W. Taylor, 65, 2816 Pacheco street, San Francisco, cuts and bruises.

Neither driver was cited.

Obituaries

Salzatore Aiello

Salzatore Aiello of 3286 San Jose avenue, died in St. Luke's hospital, Tuesday, August 16, following a short illness.

He was a native of Italy.

Salazatore is survived by his wife Frances Aiello, children, Mrs. Jennie Flores, Mrs. Theresa Vaznaugh, Mrs. Pauline Kafka, Mrs. Catherine Bigot, Mrs. Virginia De Grazia, his sister, Mrs. Pauline De Mercurio, and ten grandchildren.

D.C. Bar Owner Appears Before Liquor Board

Manos Fangidaris, San Francisco bar owner, of 86 Cliffside boulevard, in Daly City, appeared this week before a state department of alcoholic beverage control hearing on charges that B-Girls were available at his two establishments.

Frangidaris, 36, owns the Barbary Coast Tavern, 533 Pacific street, and the Mother Lode Tavern, 178 Third street.

J. J. McGuire, department agent, told the hearing board that he was sitting alone in the Barbary Coast on June 5, when a girl came up and asked to sit with him. Immediately a waitress came up and took their order. Cost of two drinks was $3.40. He also told the board he refused a suggestion that he pay $12.50 for a bottle of champagne.

S.F. Officers Chase D.C. Man Over Roofs

Richard Yates, 26, a truck driver of 568 Bellevue avenue, was held in San Francisco this week on suspicion of burglary.

Officers said Yates, who recently returned from Army duty in Tokyo, went to a Japanese restaurant Monday night to get a Japanese letter translated. While he was waiting for the letter he drank some sake.

The next thing he knew, he was knocking at a door at 1237 Ellis street at 3 a.m. The owner called the police. Two San Francisco officers chased him over three roofs and each fired five shots over his head before they caught him.

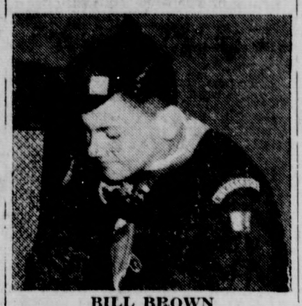
Take Census Here On Unemployed Job Needs

Special supplementary questions designed to find out whether unemployed persons are seeking full-time or part-time work will be asked in the August Current Population Survey, according to Supervisor Walter A. Freeman, Jr., of the Census Bureau's district office at San Francisco.

Two Explorer Scouts Return From Alaska

Two local explorer scouts have just returned from a five-week trip to Alaska with the Father Hubbard expedition. Bill Brown, 15, and Scott Parker, 14, both of Explorer post 84, are among the scouts who arrived at the San Francisco airport last week.

SCOUT PARKER



BILL BROWN

Scott is the son of Mr. and Mrs. Jack Parker of 719 Stewart avenue, Broadmoor, and Bill is the son of Mr. and Mrs. Harold R. Brown of 464 C street, Colma.

All members of the expedition appeared Thursday night on Dottie Hansen's High-Time television show on KGO.

Motor Vehicles Dept. Suspends Two Licenses Here

The department of motor vehicles recently suspended driving licenses of two area motorists and put on probation licenses of five local persons.

Given suspension were Theodor Stephen Judge, 332 Moana Way, and Victor A. Krager, 503 Miller avenue, both of Sharp Park.

The five persons granted probation were Theodore F. Ammiro, 287 Station avenue; Frank J. Amorelli, 863 South Mayfair; Oren F. Armstrong, 46 Eastlake avenue; Tony A. Delfino, 166 Winchester street; and Henry J. Ziegele, 196 Irvington street.

In other court action the vehicles department failed to suspend the license of Frederick D. Shanberger, 824 Thornhill drive, Broadmoor, convicted of drunk driving on July 14.

Rudolf Muller, 920 Foothill drive, Broadmoor, was granted permanent reinstatement of license.

LOCAL RESIDENT, 24, BECOMES POLIO CASE

One case of polio was reported for Daly City last month on the monthly morbidity statement issued by the San Mateo county public health division.

Dr. Harlin Wynns of the public health department said today that it is "unlikely" that the polio victim had received Salk vaccine shots as he is 24 years old.

Other Daly City statistics reported last month are: gonorrhea, 1; measles, 8; mumps, 2; salmonellosis, 1; tuberculosis, 1; and measles encephalitis, 1.

Reported from the Sharp Park area were the following: German measles, 1, measles, 5; mumps, 5.

From the Linda Mar area comes a report of: chicken pox, 1; measles, 1; and streptococcal infections, 1.

GEORGE'S SHOE REPAIR, at 6446 Mission St., now offers FREE pick up and delivery in Daly City, Colma, Winston Manor, etc. . . There is no charge for this service and the time for both pick up and delivery is between five and six p.m. GEORGE'S SHOE REPAIR is as close as your telephone so just keep this number in mind whenever your shoes need attention: PLaza 5-8850!

CRIM'S REFRIGERATION SERVICE at 7328 Mission St. has been getting more and more customer comment—and all of it GOOD! We listened—and then called Paul Crim to find out about cost, service charges and how he would handle some sample problems. . . "What is your charge for a home visit?" we asked. . . "A home call charge is $5.00, but, if your appliance cannot be repaired on the spot (which we try to do) that amount is applied to the complete repair bill. And, if you find, after our estimate (and CRIM'S estimate remains the same as when he first gives it—regardless of his possible later problems with your appliance) that you will have to wait awhile for the work to be done—then that $5.00 charge applies to the original estimate. You cannot lose! We mean SERVICE when we say it—and seriously! Bring us your refrigerator or washing machine problems. If we can't fix them up—we'll fix it so you can trade or get a good buy on a new machine even though we are definitely NOT in the retail selling business." . . . Sounds good, doesn't it? So call CRIM'S REFRIGERATION SERVICE at PLaza 5-1052, day or night. Address is 7328 Mission St.

LOMARK, located at 2899 Junipero Serra Blvd., has a humdinger of a special this week! EASTERN MOTOR OIL, 20-30 or 40 weight, in two gallon cans will sell for just 98c! One service station charges $1.10 for this type oil and you must bring your own container. Elsewhere, the price seems to be a standard $1.29. . . That's at LOMARK—the store which is really making business history in Daly City with its low, low prices on all items carried by the store!

Ever since my first lesson with the BETTER DRIVING SCHOOL I have been adding to my list of non-driving acquaintances. . . Latest is Rose Cooper, of COOPER'S KITCHEN, who says she would like to drive, but "who could ever teach her?" (Bob Cook, owner of the BETER DRIVING SCHOOL could teach you, Rose—and make you and all the other drivers on the road like it, too.) The BETTER DRIVING SCHOOL, located at 3977 17th St. in S. F., specializes in people—like yourself—who have fears of learning to drive—those who have physical handicaps—or those with a mental "block" caused by past driving experiences. BETTER DRIVING SCHOOL uses late model dual control cars, specializes in a really simple method of back parking (it has to be for me to have learned it) and they will pick you up at your home for instruction. Four one hour lessons costs only $24.00, but they add up to a lifetime of safe driving because you will have learned to drive correctly! For your appointment with a BETTER DRIVING SCHOOL instructor, call VAlencia 4-9600.

Charles Behrend, JEWELER at 6301 Mission St., was obviously suffering from mixed emotions as he picked up three packages of "Kitty Litter" in the DALY CITY PET SHOP. Mr. Behrend, who loves dogs—but NOT cats—said the litter was for his daughter's two pet Siamese. . . And speaking of pets—if you have animals you wish to dispose of—take a photograph of them for the DALY CITY PET SHOP bulletin board. "Pen," the shop's new owner, started the bulletin idea as soon as she took over and it is one of the best we've seen.

From HILLTOP MARKET: Load your shelves this week with HILLTOP'S special buy of "Cadiz" stuffed and fancy green olives at just 10c a one and a half ounce jar! They're super! These "Cadiz" olives, like the many other specials found at HILLTOP MARKET, are not "off" brands but the "best" and the reason for it is Lauren Cheda's and George Glass' policy of buying nothing for the customers which they would not use on their own tables!

LISSAUER FOR MODERN, the home furnishings store where "contemporary" styles reign supreme, is consolidating. . . This fact means that the entire LISSAUER collection of select imported and domestic home furnishings are now offered at terrific savings of better than 50% in some instances. . . A spot check showed wonderful buys in ceramics, box springs and mattreses (Beauty Rest, Serta and Simmons), Drexel furniture, and a host of others. . . . Be sure to visit the LISSAUER FOR MODERN store at 2155 Junipero Serra Blvd. soon for best selections of these items. . . . They won't last for long!

Westlake Man Says Person Shot At Him

No suspect, no bullet, no gun.

Such is the evidence local police have to work with in the alleged shooting at a Westlake credit manager Thursday night.

Henry G. Wilson, credit manager for a wholesale produce company, told officers that he rounded the corner of his house at 41 Park Plaza drive when he heard a gun shot and a bullet whiz by his head.

He said that he turned around to see a man duck back into the car port in the rear of 61 Park Plaza drive. The stranger was described as about six feet tall, about 200 pounds and in his 30s.

Wilson says that he knows of no one who would want to shoot him.

Broadmoor Man Takes Overdose Of Pheno-Barb

A 41-year-old Broadmoor man was treated at Junipero Serra hospital early Monday morning when he took an overdose of phenobarbital pills, Broadmoor police said.

Officers declared that Maxwell W. McDonald, 919 Bradley drive, swallowed about eight pills over a period of several hours. McDonald did not realize the effect the pills would have, according to police.

McDonald was taken to the hospital by Broadmoor ambulance and was released shortly afterwards.

The baby, still unnamed, arrived at St. Luke's hospital and weighed seven pounds, seven ounces.

MRS. TARLETON GIVES LUNCHEON

Mrs. C. D. Tarleton, leader of the Roy Strange circle of the Broadmoor Presbyterian church, entertained eight members of the circle at luncheon at her home Tuesday. Mrs. Tarleton lives at 1783 Sweetwood drive, Broadmoor.

Guests were Mesdames: William Davis, Charles Ecker, Paul Elliott, Henry Kraus, John Le Pine, Carl Redford, John Richardson and Glenn Whaley.

Next meeting of the circle will be at the home of Mrs. Robert Mattson, 171 Willits street, on September 22.

Ask Immediate Registration For Hi Holyday

Due to the rapid increase in membership of Westlake Temple, which now includes over 200 families, anyone desiring to attend the High Holyday services or register children for the Religious school should phone the Temple office, PLaza 5-9463, immediately.

A very limited number of seats for the Holydays are available and religious school classes are rapidly reaching capacity, according to Cantor Harold Wachter.

Rabbi Bernard D. Rosenberg and Cantor Wachter will officiate at Holyday services to be held at the Temple Baptist church, Stonestown, on Rosh Hashono, and at the Lakeshore Plaza auditorium, 34th avenue and Sloat boulevard on Yom Kippur. Both places feature spacious parking areas and are conveniently located in a central area easily accessible.

The religious school, under the supervision of Rabbi Rosenberg, assisted by the faculty, is composed of weekday Hebrew classes for those interested, in addition to regular Sunday morning classes in accordance with a complete curriculum shaped to fit the needs of each child and based upon learning through experience. Children actually participate in every phase of Judaism—customs and ceremonies, history, music, art—the Bible, prayerbook—all in conformity with the Union of American Hebrew Congregations and approximately 500 affiliated Temples throughout the United States.

This Friday evening at 8:30 p.m. Ronald Lieberman, son of Mr. and Mrs. Sol Lieberman will become Bar Mitzvah. Rabbi Rosenberg will continue the forum-discussion series and an Oneg Shabbat in honor of the Bar Mitzvah will follow. All are cordially invited to attend.

Plans are completed for the "Post Yom Kippur Dance" and tickets are now available at the Temple office. This annual event will be held at Forest Lodge, Monday evening, September 26. Tickets are reasonable and the affair will feature Charles Stern's orchestra, hors d'ouvres, and a midnight snack. Reservations should be made now.

CITY POSTS BULLETIN FOR LIBRARIAN POST

The city will begin taking applications this week for the post of librarian, which will be vacated on September 30 by Lorraine Rolandi.

Although the salary ranges from $376 to $458, the council has authorized a starting pay of $415.

Date of the civil service examination has not been announced, but the test will be held within 30 days.

Meet the Longs who set up housekeeping in San Jose in 1935

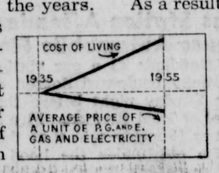
20 YEARS AGO — when George and Jean Long were married, they had just four appliances: range, water heater, waffle iron and radio.

TODAY — their comfortable home has 19 more appliances, including: refrigerator, washer, ironer, gas furnace, television set, vacuum cleaner, toaster, mixer, clock, coffee-maker, razor, heating pad, record player, sun lamp, 2 radios, fan, hedge clippers and drill.

Today they buy $18 worth of gas and electricity for $13

...for the average unit cost is less than it was in 1935

Most Californians, like the Longs, have added gas and electric servants over the years. The average California home uses three times as much gas and electricity as twenty years ago. Naturally, your total bill is higher, but the average price of a kilowatt hour of electricity and a cubic foot of gas is about one-third less than in 1935—thanks to mass production economies. As a result, the Long's gas and electric bill in a recent month was $13.73. In 1935 the same amount would have cost over $18.00. And this same saving will most likely apply to your bill. Can you think of any other prices that are lower today than 20 years ago? *No wonder we say...*



Gas and electricity are cheap in California

Lake Merced Auxiliary Fetes Eight Charter Members At Meet

Lake Merced Auxiliary 9921, VFW, dedicated their meeting last week at Broadmoor community center to eight charter members.

Theme of the evening was carried out with a huge tart, on which had been fashioned a flag with strips of crust for the stripes and pastry stars, on which the names of each charter member had been written.

Hostesses were Maryann Read, President; Hazel Eagleton, secretary; and Renata Costa, treasurer.

Following refreshments, a Hollywood game was held, with Gladys Holt, past president of the Merced auxiliary, the winner. She was visiting from Woodside Auxiliary 8515, as was that group's past president, Marge Anderson.

Charter members who were honored, in addition to Mrs. Holt, were: Estelle Harding, first president of the Merced Auxiliary when it was instituted six years ago; Dorothy Goodwin, Dorothy Heim, Stella Magoon, Dorothy Nielsen, Maryan Patey and Nellie Krawetz.

During the business session plans were completed for the August 21 joint picnic with the Lake Merced Post, Scout Troop 129 and the Scout mothers club, to be held at Flood park.

Plans were also made for the pot luck supper at the Broadmoor community center August 23. Games and refreshments will be offered at the function, which is open to the public.

Local Garden Club Plans 2nd Annual Exhibit

Every man, woman and child in Daly City will be afforded an opportunity to enter the second annual Flower Show and exhibit, which is slated for Sunday, September 11, at the War Memorial building, it was announced today.

Put on with such success last year, there is every expectation that this year's show will engender much local interest and participation. Following the usual pattern, the show will be amateur-competitive and also will feature complimentary exhibits. Many different classes and categories will be open for the display of flowers, plants, dried materials, succulents and horticultural specimens as well as arrangements and novelties.

Mrs. C. M. Yohn is serving as general chairman of the show committee, and directly assisting her will be Victor Dermody, staging; Mrs. H. Rosenberg, schedule chairman; Mrs. Marie Gronemeyer, entries; and Mrs. S. Mollette, hospitality chairman. Conservation displays will be under the tutelage of Mrs. R. Hunter and printing and publiicty by Mrs. M. Frasu and Mrs. H. S. Garrison, respectively.

Theme of the 1955 Show will be "Flowers in your Garden" and will be open to the public at 1 p.m. and close at 9 p.m. The committee has studiously planned the divisions and classes of entries with local gardens in mind so that maximum quality will prevail and be available to entrants from their own gardens.

Awards will be given in strict accordance with the regulations as set forth in the schedule and it is therefore urged that those interested in participating notify Mrs. Yohn, 292 Hillside boulevard, Plaza 5-5580 as soon as possible. A special invitation is extended to the many men gardeners in this area who raise beautiful flowers on their home grounds to enter the specimen division, since the results of last year's judging proved masculine superiority in this class.

Exhibiting groups will include the San Bruno Fuchsia society, A.F.S., San Francisco Rose society, Floral Arts nursery, African Violet farm, Brisbane, Dahlia Society of California, S. F., American Begonia Society, S. F., and C. Wheeler and Mrs. Theresa Ferrero, florticulturists.

"The many committees are working hard to put on an even greater show than last year, and it is hoped that the many gardening enthusiasts of this area will make this community effort one of which we can be proud," was the statement forwarded by Mrs. Lois Hansen, president of the Daly City Garden club.

MRS. JOSEPH BACCI, and her daughter Maria, of 62 W. Cavour street, Daly City, vacationed in Honolulu where they were guests at the Surf Rider Hotel in the center of Waikiki Beach. A memorable part of their trip was their voyage on the LURLINE, and they visited such historic and interesting spots as the Kona Coast and volcano area on the Big Island of Hawaii, and Waimea Canyon and the beautiful Hanalei Valley on the island of Kauai. They returned from Honolulu on the Lurline August 10.

Program Personnel Announced For DC Toastmasters Meet

Dr. Louis Minkin of Daly City will act as toastmaster next Thursday when Daly City Toastmasters hold their regular meeting at San Pedro lunch, 11 San Pedro road, Colma.

Table topics chairman is Jerry Strauss, while acting as chief evaluator will be Art Colvin.

Speakers for the evening are Micheal De Bernardi and Owen English, who will give their "ice-breaker" talk, and Al Beerbower, Dan Andersen, Harry Whitaker and Kirby Seay, who will be making their second speech in basic training, "be in earnest."

The Toastmasters are making final plans for their October 1 charter party at Rickey's Red Chimney. Colvin heads the charter party committee, assisted by Andersen and Frank Blum.

V.F.W. Officers Attend Meeting

Members of the Lake Merced Auxiliary of the Veterans of Foreign Wars attended the first yearly meeting of the 12th District on August 14 in Mountain View.

Local participants were Mary Ann Read, president; Stella Magoon, junior vice president; Lanilta Dunn, conductress; and the 12th District Cancer Chairman, Rose Fisher.

The 12th district conducts schools of instruction for 36 auxiliarys.

Job's Daughters Will Spend Week At Camp

Bethel 198, International Order of Job's Daughters, will spend next week at Oddfellow's camp at the Russian river, according to Lois Kramer, publicity chairman.

The summer camp meeting will substitute for the usual meetings held during the school period. The first regular meeting is planned for September 8.

VFW, POST 9921, TO HOLD TICKET SALE FOR DANCE

Door-to-door tickets sales for the Lake Merced Post 9921, VFW, youth activities dance are planned for the near future, according to Jack Smith, dance committee chairman.

"Realizing the importance and purpose of ths dance, I am sure that all residents of the local area will get behind the dance a 100 per cent," Smith added.

Other persons on the committee are Mrs. Meridith Orloff, representing the ladies' auxiliary of the post; Vince Murphy, Daly City postmaster; Larry Magoon, post commander; and Fred Smith, ticket chairman.

The date for the dance is September 24, and place is Colombo Hall. Tickets are selling for $1 per person.

California produced a record number of baby chicks in 1954—a total of 107 million.

PTA To Feature Exhibit Booth At State Fair

"Teacher Recruitment" will be highlighted by the California Congress of Parents and Teachers at its State Fair booth in Sacramento, September 1 through 11, according to Mrs. A. Kenneth Spencer, San Gabriel, president of the State organization. The current theme of the Congress "Teamwork Does It" will be portrayed by means of a pictorial revolving exhibit depicting Parent-Teacher teamwork in education. It will show the number of students who achieve education by means of the "fuel" supplied by the organization's plan for Honorary Life Memberships, and the great need for young people to enter the teaching profession.

Of special interest will be a map at the state showing the locations of the 33 districts represented on the Board of Managers by their district presidents. The districts will be designated by number according to the chronological sequence of their organization.

Color will be added to the exhibit by several posters showing various ways in which teamwork on the part of parents, teachers and communities accomplishes the many PTA projects in child welfare.

The entire exhibit is being prepared by three students of Sacramento State College, and will be manned by representatives of districts 8, 14, 16, 17, 18, 19, 28 and 32. Members of the Seventeenth district who will be in charge of the booth on Friday, September 9, are Mrs. J. B. Mills, San Bruno; Mrs. C. N. Underwood, San Mateo; Mrs. G. J. Sirex and Mrs. J. M. Flohr, both of San Carlos.

Chairman of the State Fair committee is Mrs. J. Paul Elliott of Los Angeles, assisted by Mrs. William H. Thomas of Sacramento. Other committee members are the Mesdames W. J. Hallam, Sacramento; George L. Davis, San Bernardino; J. E. Manley, Healdsburg; Stanley Olafson, Los Angeles; and W. L. Riser, Oakland.

Mrs. Spencer will also be the speaker for the special "Woman's Day" luncheon in Governor's Hall on Friday, September 2. This luncheon, to which presidents of the State women's organizations have been invited, and which has become a regular feature of the California State Fair and Exposition, is hostessed by the Sacramento Women's Council. Mrs. Spencer's subject will be "Freedom's Challenge to Women."

The total national production of cantaloupes in 1954 was 1,322 million pounds.

Miss McGlynn Is Engaged To George Pedroni

The engagement of Miss Joyce McGlynn to George Pedroni was today announced by Miss McGlynn's parents, Mr. and Mrs. Arvid Peterson of 530 San Diego avenue.

The couple will be married following Miss McGlynn's graduation next June from Jefferson High school.

Mr. Pedroni is the son of Mr. and Mrs. H. Pedroni of this city. He also attended Jeff and is now working with the forestry department in Santa Rosa.

A dinner at the Cliff House celebrated the engagement Saturday night.

The couple will be married in San Bruno at the same church where Miss McGlynn's sister, Mrs. William Hauger, was married.

BROADMOOR GYM CONSTRUCTION STILL DELAYED

Start of construction of Broadmoor's new gymnasium was still a moot question this week, following discussion of the project at the Broadmoor Property Owners association meeting Thursday night.

All members of the building committee, who were to report Thursday on ways and means to reduce cost of the building, were absent. Lowest bid received last month on the building was $28,000, while the association has only $18,000 allocated to spend on the structure.

The board of directors discussed recent policy of the police commission in endorsing incorporation, but voted to take no further action on the issue.

Three bids were received for pruning and trimming the property owners' trees. Bucky Zweig, chairman of the trees committee, will award contract to the low bidder.

Twenty homeowners were present at the meet. Directors absent were Thomas Jenkins, Le Roy Krueger and Vincent Cauchi.

Commission Approves 1955 Dove, Piegon Regulations

A straight 30-day dove hunting season from September 3 through October 2 has been approved for California by the Fish and Game Commission.

A limit of ten doves in the aggregate of all species, the same as last year, will be in force, the Commission announced.

Major changes from the 1954 regulations was the adoption of the straight instead of split season, and the elimination of the noon opening. This year's season will begin on a Saturday instead of the traditional September 1 date.

White-winged doves can be hunted in Imperial and Riverside counties.

Shooting hours statewide are from one half hour before sunrise to sunset.

Season for band-tailed pigeons again will be October 1 through October 31 in Del Norte, Siskiyou, Modoc, Lassen, Shasta, Trinity and Tehama counties only.

In the remainder of the state the season will be December 1 through December 31. Bag and possession limit is six birds. Shooting hours for pigeons will be one half hour before sunrise to sunset.

These regulations were set within the limits laid down by the U. S. Fish and Wildlife Service.

Louis Pellier, a Frenchman, introduced the French prune to California in 1856-7.

CRIMES DECLINE

With an estimated five per cent increase in major offenses committed last year, the National Automobile Club reports that criminal homicides and automobile thefts were the only serious crimes to record a decrease.

Eight Suffer Minor Injuries In Head-On Auto Collision

Eight persons received minor injuries Wednesday, as the result of a head-on automobile collision on Alemany boulevard, west of Lynnewood drive.

Ada Beedie Young, 53,664 Edgemar avenue, Sharp Park, and driver of one of the automobiles, was treated at Junipero Serra hospital for a fractured wrist. John J. Giannini, P. O. Box 514, Castroville, was driving the other vehicle.

Still under observation at Junipero Serra hospital is Rose Giannini, 81, 224 Holly avenue, South San Francisco, who was in the Giannini auto.

Other occupants of Giannini's auto were treated at the scene of the accident. They are James Rosa, 13; David Rosa, 5; Mrs. Charlotte Rosa, 47; Margot Rosa, 2; and Carol McClanahan, 5, all of South San Francisco.

Marvin Smith, 664 Edgemar drive, Sharp Park, was the only passenger in the Young vehicle.

Miss Young was cited for driving in the wrong lane of traffic.

Leonardo Z. Garamio, 36, 1941 Mission street.

Officers said that Garamio collided with a car driven by Elaine J. Armour, 31, a waitress, 352 Gardenside, South San Francisco. Miss Armour was attempting a left turn when the collision occurred.

The total national production of peas in 1954 was 850 million pounds.

City Council Hears Insurance "Beef"

Complicated pros and cons on the value of board or mutual company insurance was heard Wednesday night by the Daly City council. The special insurance meeting was called following the council's receipt of a letter by George Lagomarsino, who stated that the city is paying too much for their insurance.

Lagomarsino originally said that he could save the city 40 per cent if the council decided to take insurance with the Oregon Mutual, a non-board company.

This statement was disputed at Wednesday night's meeting by board company representatives, who said that their association could also provide a 20 per cent reduction, but could not cut the rate another 20 per cent as could mutual companies.

The city's insurance is now handled by the North San Mateo County Insurance Agents association. Members are Peter Markovich, George Mason, Thomas Callan, Jr., Tony Gaggero, Mel Battye, Fahey Insurance company, Westlake Insurance, Thomas Laramie, P. Collins, Paul Selmi and William Lagomarsino.

Association representatives at Wednesday night's meeting, Markovich and Mason, told city officials that board companies offer additional services for the added 20 per cent cost. Services mentioned were those by the National Board of Fire Underwriters, which Mason and Markovich declared the local fire department uses constantly.

The council will make their decision at Monday's meeting.

Cite San Bruno Man, 66, For Hillside Car Mishap

A 66-year-old San Bruno man was cited for driving without due caution on Hillside and Castle streets Monday morning when his car collided with an auto driven by a Daly City housewife.

Police said that the accident occurred when Tony Masia, 66, 823 Mills avenue, San Bruno, attempted to pass a a car driven by Mrs. Eula C. Jakobsen, 55, 332 Miriam street.

Rockets Official Champs; Playoff With San Carlos

Peninsula Junior league board of directors debated in a smoke-filled room nearly three hours Thursday but it wasn't until 24 hours later that the Westlake Rockets learned they had won the baseball championship for the second straight year.

The Rockets had wound up the season August 6 with a 4-0 victory over Millbrae to conclude the Peninsula League Junior division season with five wins, no defeats and the championship safely tucked away.

Then San Bruno, whom Westlake had beaten, 1-0, on July 23, filed a protest on the basis of an obscure league ruling: They said it was illegal for a player to compete in two divisions of Peninsula play. Paul Tapia, sensational rocket pitcher, had also been competing in the Senior circuit with the Daly City Braves.

Not Posted

The ruling, passed at a virtually unattended meeting of the league board of directors this season, was not posted in the official records, nor were the recreation directors of the various cities notified of the change.

Upon San Bruno's protest, Daly City recreation director James Mason immediately retaliated with the announcement that all Daly City teams would be withdrawn from county competition if the Rockets were deprived of their title in this manner.

Mason contacted Ed Davenport, league commissioner, who called an emergency session of the board of directors.

The directors, after three hours of harangue Thursday morning, wound up the day by voting in a 4-4 deadlock on the issue.

Deciding Vote

Deciding vote, therefore, was placed in Davenport's hands.

The commissioner notified Daly City Friday at noon that the Rockets were the duly recognized champions, as nearly the entire Rocket ball club awaited the news at the community center.

Ed Mosconi, recreation supervisor, and John Belforte, Rocket coach, argued the Daly City cause at the directors meet. Ironically, among the league directors championing the Rockets argument, was none other than Bruno, his town's club would have had to face a less powerful team in the playoffs.

League Error

In announcing his decision in favor of Westlake, he said it was an error of the league's in failing to publicize the new ruling, and that Daly City was not at fault.

The decision means the Rockets will enter the playoffs with San Carlos this Saturday, at a place and time yet to be designated. The overal county crown will be determined in a two out of three game basis.

Last year the Rockets won the northern division and went on to capture the Peninsula title in two straight games.

In two years, the Rockets have won an even dozen games, not including the playoffs, losing none.

rectors of the Broadmoor Property Owners' association are of the nsidered opinion that incorporaon of the city of Northgate would detrimental to the best interts of the residents of Broadmoor, the basic reason that the rmation of such a city, as proed, would not be financially und."

Directors Howard Richardson, ck Baker, Tom Jenkins, Jim T. cKay and Ed Lee voted in fav- of the resolution, Bob Buchan- and Roy Krueger opposed it.

Annexation?

Although the majority felt that corporation was not the answer their problem, they did not ate that annexation to Daly City as the solution at the present me. "The committee will enter to discussions with Daly City lative to the possibility of an-exation," stated Baker.

During the two and a half hour eeting there were many argu-ents voiced against the incor-oration. Some members felt at Northgate would lack many cilities of a normal city. McKay id, "the Coro Foundation report es not allow one penny for re-rement of city employees, recrea-on, library, health and welfare d many other things." The city ould not receive these services nless the proposed city tax rate 55c was raised."

However, the proponents of in-orporation felt that these prob-ms could be ironed out as the y progressed. Buchanan said, Broadmoor is a unique com-unity. If we incorporate we can tain our entity and continue our osition as the community of roadmoor."

Arguments

In summary, some of the argu-ents against incorporation were: ck of present business and indus-y, and the facilities to attract w industry, which contributes e major part to the tax role; the rawled boundaries of the city; nd that the tax rate would im-ose a heavy burden on the citi-ns as the city grows.

Richardson, who moved the reso-tion be adopted, stated, "It is my ncere hope that the people of roadmoor realize that many of e board members have wrestled ith the problems of Broadmoor r nine years, and that they ac-pt this opinion as coming from ources that are directly involved."

"Individuality"

Commenting on the board's de-ision, Buchanan said, "The inority group took into con-deration that many problems ould arise if we incorporate, but ey feel that these problems can e met as they occur. It would e worth the effort to retain our ndividual community and our in-ividual control and maintain such ne features as our fine police nd fire department."

Another member took a differ-nt viewpoint.

McKay opinioned, "This is a case f the tail wagging the dog. terling Park has suckered us in-o paying the balance of the Coro eport. Now, they have misread s interpretation. If Broadmoor ver incorporates, it should only ncorporate west of Junipero Serra oulevard."

DC Workers Ask Council 5 Requests

(Continued from page 1)

sideration of Saturdays as a working day when the city went from a 44 to a 40-hour week, while City Manager Howard Stites and members of the council say that this was not the previous council's intention.

Stites declared during the discussion that the former council intended to provide for a two-week vacation and that "over 75 per cent of California cities give their employees a two-week vacation."

Budget Or Service

Mayor Joseph J. Verducci injected, "Either the budget or service to people suffers if we offer you a longer vacation."

2. That clarification on the anniversary date for increases be given.

3. That all new positions be filled by civil service. The council agreed on this point but made two stipulations: a. Verducci said that the council plans to hire a "confidential secretary" for the city manager. The mayor explained that the new post will require someone who will "owe complete loyalty to the city manager." b. Stites declared that "high positions" will not be determined by civil service, and that the people have a right to expect the "best in the country" for these high posts.

Probation

4. That Stites request the council to approve permanent appointments. Verducci objected, "No, that's why we're paying Stites $13,000 a year." The city manager stated that the present policy is for the department head to be notified 30 days before the probationary period is up, the department head to reply within two weeks, and the employee to then be notified of the decision.

5. A request that jobs be classified by title rather than number.

Following discussion with the employees, a letter from Councilman Edward Dennis, now attending an American Federation of Labor convention, was read aloud.

Dennis Letter

Dennis' letter stated "today (Saturday) I met with Walsh and he outlined several of the matters" to be presented to the council. The letter went on to recommend nearly all of the association requests.

Verducci protested the letter.

"I deplore the action of Dennis meeting with Walsh," he said. "The council should meet collectively and no council member has the authority to act on his own. If it was a matter of expediency, Dennis could have called a special meeting."

TV ARGUMENT CAUSES 'THUMB KNIFING' AT LOCAL BAR

An argument over which TV station to view at Kirchhubel's tavern, 6296 Mission street, resulted in the calling of police again last Saturday night to the local nitery.

Officers were called at 1:55 a.m. when Margaret O'Brien, 350 Second street, Colma, claimed that she had been knifed on the right thumb by Stephen Biedove, accountant, 75 Hillcrest drive.

No arrests were made.

Biedove recently forfeited bail of $50 when he was charged with disturbing the peace and being drunk at the same establishment on July 31.

COPS CHARGE LOCAL YOUTH WITH DRIVING WITH VOID LICENSE

Lars R. Olsen, 19, 184 Peoria street, was arrested by local police early Sunday morning following complaints received at the police station that Olsen was driving his car at a high rate of speed and with a loud muffler along Hanover street.

Complaints were received about 12:30 a.m., and officers picked up the youth an hour later on Mission and Oliver street.

Olsen was cited for driving with a suspended license and was released this week on $250 bail. He is scheduled to appear in court on Tuesday.

Found among Olsen's possessions at time of arrest was an identification card for John Goggin, 23, 250 Irvington street, who was arrested recently by San Francisco police. Goggin was wanted in three cities, including Daly City, on different counts.

The average depth of the Red Sea is 1611 feet.

News From The Parks

MARCHBANKS PARK

August seems to be a popular month for vacations at Marchbanks Park. A good percentage of our daily park goers have hit the trail for the mountains and the seashore. Mr. Sun is also refusing to cooperate. We have not felt his welcome rays for many a gloomy day. The two factors have eliminated some of our best athletes for the Junior Olympics, but many of the old stand-bys like Paul Tapia, Sonny Martinez, the Kanes, Patrons, and the Kennedys will come through for us in the pinch.

An example of faithfulness at its utmost is Buz Russell. This young lady was scheduled to leave last week on a three week vacation. With some fast talking and some tears she managed to delay the starting time until after the Olympics. That's a Marchbanker for you. Thanks must also go to Mrs. Russell who is a wonderfully kind and cooperative person at all times.

All the kids are getting excited about our coming "Penny Carnival." Everybody has a job to do and is doing it well. Signs are being painted, posters made, and booths planned. All this and more is being done. Some of the expert sign painters are Ginny Shroeder, Blake Brunson, Ricky Craig and Rocky Brunson. Paul Tapia and his commitee have big plans for our famous "House of Mystery." Even the Director is a little dubious about entering this chamber of horrors. Skip Crudo has volunteered a canvas that was badly needed. According to Skip it was a "huge thing." It turned out to be the size of a handkerchief, but thanks anyhow, Skip.

Judging for the "Baby Picture" contest will take place on Wednesday. Some of the mothers have volunteered to do the honors of judging. It will be a difficult task to choose a winner with so many cute entries.

The All-City Checker Tournament was the scene of two and one-half hours of concentrated and grueling play before a winner could be determined. Each entrant was a winner in his or her own right being the champion of the park that they represented. Little Joe Coccelato, age 6, displayed the skill of a real champ. He made the semi-finals where he was defeated by Diane Caruso. Diane won the title for the 8 and under division. Ricky Craig defeated George Rodriquez of Lincoln Park to win his division. The Upper division was won by Joan Malloy and the 9 & 10 group by Rich Ballante.

A coloring contest was also held along with the Checkers Tournament. All the pictures were exceptionally well done. The judges had a difficult time determining the winners. They were:

Pat Hitcoat, 5 years, Frankfort Park; Chuck Hammond, 6 years, Edgewood Park; Christie Hansen, 7 years, Edgewood Park; Tina Endberg, 8 years, Edgewood Park; Mary Villa, 8 years, Frankfort Park; Carol Marchim, 9 years, Frankfort Park; Adele Sanders, 11 years, Lincoln Park; Toni Seltera, 12 years, Frankfort Park.

BIKE DAYS

John Jungles retained his lead in the weekly Bike Contest sponsored by the Recreation Department. John now has 39 points. Mike Steele follows closely with 33 points. Dave Iwahashi's 29 points merit him the third place position. Skip Crudo is slowly pulling up with the leaders. He already has 22 points and a chance to compete on make-up day where he could pick up 20 points if he won all of the events. It's still anybody's race. There are three big trophies, plus medals and other prizes which total 30 in all. Two more weeks will decide the winner.

EDGEWOOD PARK

Monday, August 8th, the coloring contest was judged by Mrs. L. Enberg, Mrs. P. De Bernardi and Mrs. S. Pope, announcing the winners as follows: Lorraine Lewin, age 5 years; Charles Hammond, age 6 years; Christie Hansen, 7 years; Janet Pope and Tim Enberg, tying for 8 years; Ricky Knox, 9 years; Penny Goulden, 10 years; and Toni Settera, 12 years. These winners entered in the city wide coloring contest. Edgewood park participants did very well, winning the age groups 6, 7, tie for 8th and 12 year.

After practicing all week, the checker champs of this park—Gary Monyhum, Lee Potter, Janet Pope and Diane Caruso did very well. Diane Caruso did very well. Diane Caruso became city wide champ of the 8 and under age group.

Practicing for the Junior Olympics has been taking up all the time for the athletically minded children at the playground.

Fishing poles are already in condition to hook fish. For Fishing Day August 24th. Those interested in the Junior Olympics or Fishing Day contact directors at any of the playgrounds.

WESTLAKE PARK

The current rage at Westlake has been the Checker Tournament which was to determine the Champions of Westlake who were to compete in the finals at the Community Center. The winners at the Community Center will be Daly City champions. Sad to relate, none of the competitors from Westlake achieved the conquest of all, but nevertheless, everyone enjoyed themselves, and continue to play here at the park. The following are a few of those who originally entered the tournament: John Rice, Barbara Verducci, Charlene Penna, Irene Ailes, Margie Foxman, Rich Mylin, Mike Wassler, Butch Verducci, Joe Coccelato, Skipper Smith, David Romero, Natilie Platnik, Greg Agar, Janet Coyne, Ed Korinthias, Dennis Stenson, Arnold Ertola, Douglas Becker, Ray Ciardella, Martin Jaspovice, Lee Lester, David and Paul Pucci, Susan Bianchi, Bobby Green, Stan Platnik, Greg Korinthias, Rodger Bernard, Ed Berg, Lorry Jaspovice, George Ellis, Penny Wooster and Sheryl McKenny. With a great variation in ages the groups were set up as follows: 8 and under, 9 to 11, 12 to 13, and 13 and over. The winners, or Westlake Champions were: Natalie Platnik, Joe Coccelato, Rodger Bernard and Ross Holmgren.

All of the above competitors are now eagerly awaiting the Table Tennis Tournament which will take place shortly. This week will be devoted to a sign-up week for the coming event.

Speaking of events, Westlake had another successful outing at the San Francisco Zoo. Among those participating were David and Paul Pucci, Kathy Sarubbi, Stan and Natalie Platnik, Mark Golden, and Wayne and Albert "Skipper" Smith.

A poll of the favorite events at Westlake has shown that the movies on Monday afternoons still captures the No. 1 spot followed closely by the Arts and Crafts program.

LINCOLN PLAYGROUND

Last week a Checkers Tournament and Coloring Contest was held at the Daly City Community Center. Lincoln had 3 entries in the Checkers Tournament. They were Mike Shea, Gary Ciolino, and Mary Bellinger. In the coloring contest Adele Sanders, age 11, won first prize for that age group.

Last week we also went to the Fleischaker Zoo—we had about 25-30 boys and girls from our playground. This coming Friday (August 19) we are taking a trip to the Aquarium and Museum in Golden Gate Park. Anyone interested see Mr. Mendosa the Playground Director. The playground will be unsupervised Friday. Next week, August 24, the Lions Club of Daly City is sponsoring a fish day at Lake Merced—prizes are given for the biggest and smallest fish caught also the largest number caught. All interested parties see the director. Free milk and ice cream will be given to all children.

ART AND CRAFTS

Don't forget August 24 and 25—the annual Arts and Crafts Show will be held at the Daly City Community Center and all children who participated in the summer program are eligible to enter their work. All will be welcome to visit the exhibit of children's art from 2-4 p.m. and 7-9 p.m. on the 24th and 25th of August. Awards will be presented for the best work in each category.

All children who participate in the show will be able to pick-up their work according to the following schedule:

Monday, August 29 — Colma school 10-12, Jefferson 1-2.

Tuesday, August 30 — Olympia 10-12, Crocker 1-2.

Work may be called for at any time at Westlake and at the Community Center.

This past week's activities included marbelizing paper; Dougie Becker, Peter and Joe Hermosa, Susan Taylor, and Michael Spiegleman were among the children enthused over the designs they created by this method.

ARCHERY WINNERS

The winners of the Archery Ladder Tournament from the various parks are as follows:

Marchbank—Mike Cox, Ricardo Gonzales, Larry Cox.

Colma—Danny Luciano, Melvin Horne, Gary Braugh.

Jefferson Elementary — Mike Blume, Mike Rovai, Bill Uccelli.

Westlake — Skipper Smith, David Neushwanger, George Ellis.

Olympia—Ron Goldman, Mike Majourau, Steve Nejasmich.

Frankfort — Mariella Bisset, Manuel Villa, Tony Waddell.

All archers are now starting on an Elimination Tournament—the top 4 from each park will represent their park at the "All-City Meet." The all important meet will take place Wednesday, August 24, at 1:00 at Jefferson High Schools Football Field. All parents and friends are invited to attend.

Wheelbarrow Parade To Roll After World Series

There will be be a shortage of wheelbarrows in Daly City following the 1955 World Series when a bet that was started last year at the Central Club will be multiplied more than three-fold this year.

Last year three losers of a World Series bet had to push the victors in a wheelbarrow from the top of the hill to the Colma line and back again.

This year they are using 10 wheelbarrows. They've even gone as far as to have sign-ups. The winners will enjoy a 2½ mile ride to Colma and back again, while losers will have to push the ton of lucky winners up and down Mission street.

Judge Dismisses Counts Against Park Director

Both counts against Thelma G. Steele, Edgewood Playground director, were dismissed Friday by Judge Thomas L. Bocci of municipal court.

Miss Steele was cited by local police July 8 for improper hillhold and void driver's license when her unoccupied car ran away down East Vista avenue. The car belonging to Miss Steele, 171 East Vista avenue, caused damage to several homes in its plunge down the hill, according to the accident report.

YANKEES, OLPH PLAY THREE GAME SERIES FOR LITTLE LEAGUE TITLE

The Broadmoor Yankees and O.L.P.H. baseball teams met yesterday (Thursday) in the first of a three game series to determine the Little League Championship. Both teams went through the season undefeated with six wins and no losses.

The results were too late for presstime.

In last Saturday's action the Yankees had to come from behind in a night contest at South San Francisco to barely win over a stubborn Kiwanis team 8-7. The O.L.P.H. team had it easy, as they ran away from Dee's Associated 8-2. Dees used three pitchers but couldn't hold the hard hitting Saints. George Clause, Barry Krohn and Dick Resse all got two or more hits. Left Reese was the winning pitcher fanning eight batters and allowing only six scattered hits.

In other Little League games the Blue Jays upset Brisbane 15-3 to finish in fifth place.

Westlake Indians Upset

The powerful Westlake Indians, who had won five straight victories, were upset 5-2 by second place Brisbane. Main cause for the upset was pitcher-slugger Berrie Haanen. Haanen not only allowed four scattered singles and struck out eight Indians, but he also hit a home run to cinch the victory. Aiding the cause was Pussy Firth, who also clubbed a home run. The nearest the Indians came to winning the contest was in the fourth inning when Ino Patron singled sharply with the bases loaded and scored two runs. Brisbaner Delmar Scott poled a long double in the sixth with Jim Datzman aboard for the final tally. Both teams have 5-1 records with three games to go.

Phil Fair pitched Broadmoor to a 4-0 shutout over Brisbane Saturday. Fair looked good as he twirled a three hitter and fanned 12 Brisbaners. Pitcher Bill Woods from Brisbane had a no-hitter working for him until the fifth inning. He struck out nine and allowed five hits. Broadmoor went ahead in the fifth inning by picking up two runs on singles. Woods got wild in the sixth and allowed two walks. Souza bunted the runners along and Dixie McHugh then singled two more runs across for a final 4-0 score.

Th Pirates had it easy as they beat Sharp Park 8-0 behind a no hit performance of Kelly Oliveira. Leading hitters for the pirates were Bill Dougherty with two singles and Don Harris and Danny O'Connor with a double apiece.
